

WELCOME TO AC BULLETIN BOARD

This bulletin board has been established so that case management issues can be presented from time to time by the Court as they affect the approximately 300 cases in Summit County. Information that may be helpful to parties and attorneys interested in these cases will be posted.

At a pretrial/status conference on April 17, 2003, a Case Management Team was selected to meet on call to discuss coordination and planning for the resolution of this large group of cases. Tom Bevin, Dan Balmert, Lori Luka, John Schomer and Debra Sesson, or there designees, were named. The first meeting was held on April 22, 2003. The substance of this meeting will be presented in the next bulletin.

Judge John R. Milligan, retired from the Fifth District Court of Appeals and the Stark County Court of Common Pleas, has been assigned by the Chief Justice to preside over these cases. John Shoemaker, Summit County Magistrate, has been assigned to assist therein.

CONTACTING THE COURT. The preferred method of contact with the Court is c/o John Shoemaker, telephone 330-643-8003, or fax 330-643-2045. When attorneys file a motion or other pleading calling for interlocutory attention, they must also notify Magistrate Shoemaker. Any current pending motions that are ripe for resolution should also be noted.
